Mandatory Items:

All OAP Students:

- Garment Bag

Actors:

- Make-up bag labeled with your name
- White eyeliner
- Black eyeliner
- Black Mascara
- (It is recommended that actors purchase a Ben Nye make-up kit in their shade available on Amazon for about \$20. Actors may be color-matched anytime during rehearsal. This is not mandatory.)

Tech Crew:

- Blacks
 - This is a tech crew uniform. Long black sleeves, long black pants. No writing, just plain black clothing

By the end of the month, a “Costume Inspo” board will be posted on the OAP web site. Please have costumes in their entirety by October 27th. Costumes will stay at the school in student garment bags. Any alterations needed can be covered by KLMS Theatre. Please try to get shoes ASAP. Breaking in shoes is not something you want to do during a performance.

On December 3rd, students will bring clothing for the awards ceremony of the OAP competition. It is an expectation that all members of the OAP company stay for critiques. For the awards ceremony, students should be dressed in nice clothing that follows KLMS dress code. Think church clothing here. Remember that the competition is in December, and you will need to dress appropriately.
