Thespians:

Let's go with an all/primarily black look. Tell me about your character through the clothing. Are they a dancer? More of an emo kid? Let's really play up the stereotypes so we can destroy them later on. Skirts/leotards are permitted, but please make sure all clothing is completely opaque.

Braniacs:

Really preppy look here, guys.
Remember skinny jeans were not the style, so keep it bootleg or straight.
Layered look.

Skaters: Loose and casual with a little bit of that “punk rock” vibe. Again, decide your own characterization and have fun with this.

Coach Bolton: Red polo with khaki pants. (We'll put a wildcat on the polo later.) Also, grab the jacket for the Jocks at the top! (White Jacket)

Mrs. Darbus- Let's take this in one of two directions. 1) Ultra professional with scarves and hair for a dramatic flair. 2) Bold patterns and colors that do not match. No matter what...I want Darbus to be over the top.

Keep it really simple with
lighter colors. Looking to see a
very soft side of Gabriella in
comparison to Sharpay's
harsher side.

School Outfit/ Auditions:

Sequined Top and White Skirt

Bop to the Top: I really like this light blue color and the idea of sequins and/or sparkles. Both of these dresses would have issues that we need to address in order to make it work on the stage. If you find something you like better, go for it!
